

COVERING ISRAEL IN PRAYER

Prayer Points for Israel: *Pray for...*

1. Prime Minister Netanyahu will call a National Day of Prayer for all of Israel. King George and the Parliament called a National Day of Prayer in England seven times during World War II. Miracles such as the Battle of Britain, the Miracle of Dunkirk, and more ensued. ([Joel 2:12-17](#)). A “Day of Prayer” was called on Monday, November 6, by 800 Rabbis and Pastors, so that is great. It would also be lovely to have one called by the highest levels of government and military in Israel.
2. For the protection of the IDF / IAF soldiers as they fight on the front lines. ([Psalm 18:2](#)).
3. Pray for no more deaths among the IDF and help as they navigate tunnels, boobytraps, and Hamas fighters hidden among civilians. May Hamas be swiftly defeated.
4. For the protection of the Palestinian people, they are used as ‘human shields’ by Hamas. May they also be free of all indoctrination of hatred and seek to live in harmony with the Jewish people ([Matthew 5:44](#)).
5. For the protection and release of all hostages - elderly, some ill, babies, children, and women, and a Holocaust survivor among them. ([Psalm 126:1-3](#)).
6. For the USA to continue to stand strong with Israel and not require pauses in advancement or other conditions to support Israel. ([Psalm 2:10-12](#)).
6. For the prevention of World War III. May the Lord silence Yemen, Turkey, Lebanon, Syria, Russia, China, and more from rhetoric and military efforts ([Colossians 3:15](#)).
7. For a spiritual awakening in Israel. May there be widespread prayer and turning to the God of Abraham, Isaac, and Jacob ([Ezekiel 36:26](#)).
8. For the protection of Eran Glazer, the National Leadership Center, the NLC team, and families. May there be special protection for Eran’s sons in the IDF, Itamar in Gaza, and Yonatan in the north ([Psalm 91](#)).
9. For peace in the nations and freedom from gathering, that promotes the elimination of the Jewish people in Israel and accuses Israel of willingly murdering people in Gaza. For a ceasing of antisemitic acts of all kinds worldwide ([Psalm 18:1-3](#)).
10. For those experiencing trauma in Israel from what transpired on October 7 and since to be healed, restored, and impacted by the power of the Lord ([Proverbs 4:23](#)).
