

# NAOMI PROJECT

OUR MISSION is to collaborate with Israeli leaders to develop and support innovative educational initiatives via a biblical (Tanakh), values-based educational curriculum to impact Israel's next generation of leaders.

## Life Shelter Protection Infrastructure

The NLC will source and place two strong, reinforced, all-steel shelters in strategic areas on our campus. The shelters are air conditioned, above-ground, fully-accessible structures, and meet the strictest standards of the IDF Home Front Command. Life shelters are transported by truck, and can be re-located to meet changing security needs. At a cost of \$65,000 per unit, plus installation, these structures are a pre-requisite for gatherings in the post-war environment.

**Cost: \$180,000\***

*\*Donations designated for The Naomi Project shall be directed to the priorities identified above and other emergency response needs that may arise as the situation on the ground in Israel evolves.*

The Naomi Project, in partnership with the Israel Ministry of Defense and Ministry of Education, recognizes and honors the sacrifices IDF soldier families make. JH Israel believes that no military widow should feel alone in their grief. Every grieving spouse deserves the opportunity to help rebuild their life and support their children.

Grief is not linear, and without support and healing, it can linger indefinitely. That's why JH Israel's Naomi Project exists: to provide a platform for IDF widows and orphans to heal together and find support and hope for a brighter future.
