

NAOMI PROJECT

OUR MISSION is to collaborate with Israeli leaders to develop and support innovative educational initiatives via a biblical (Tanakh), values-based educational curriculum to impact Israel's next generation of leaders.

National Leadership Center (NLC) Staffing

While all the group activities at the NLC have been cancelled, NLC Director Eran Glazer and his team will need to continue operations and planning activities. The NLC had just signed contracts with five Master Trainers who were to be paid from revenue provided by the City of Ariel. The city planned to send approximately 1,000 students through the NLC program. Although all programs were canceled, the NLC still has \$20,000 in monthly financial commitments for the core team and trainers through the first month of 2024 due to the wartime lockdown.

Cost: \$120,000*

**Donations designated for The Naomi Project shall be directed to the priorities identified above and other emergency response needs that may arise as the situation on the ground in Israel evolves.*

The Naomi Project, in partnership with the Israel Ministry of Defense and the Ministry of Education, recognizes and honors the sacrifices IDF soldier families make. JH Israel believes that no military widow should feel alone in their grief. Every grieving spouse deserves the opportunity to help rebuild their life and support their children.

Grief is not linear, and without support and healing, it can linger indefinitely. That's why JH Israel's Naomi Project exists: to provide a platform for IDF widows and orphans to heal together and find support and hope for a brighter future.
