

Your Church Can Help Shape Israel's Next Generation of Leaders!

JH Israel's Church Partners have the opportunity to support the National Leadership Center in Ariel, Israel. It's where students connect with their life purpose as they learn about their Biblical heritage and leaders like Abraham, Moses, Joshua and David. More than 58,000 Israeli youth have experienced this unique program, and we expect another 12,000 to attend in 2019.

As a JH Israel Church Partner, you will receive:

- Periodic updates showing how your prayers and financial support are at work.
- An invitation to visit and tour the *National Leadership Center* when in Israel.
- An opportunity to have JH Israel present to your Missions Team or Church Board.

The *National Leadership Center* in Ariel is endorsed by Israel's Ministry of Education, Israel Defense Forces, Orphans Promise, Christian Broadcast Network, Family Research Council, and more!

Your regular financial support of JH Israel will help shape Israel's next generation of leaders. Become a Church Partner today!
